

MOVING ON TO SCHOOL

What is it?

It is a tool used to observe the child in his/her daycare or home environment and to provide a descriptive and global portrait of the child.

Included in this overview are snapshots of the child's strengths and particular challenges.

The tool is available at:
www.casiope.org

What is its purpose?

- **For your child**
To be welcomed into his new environment (school) in a way that respects his strengths and needs.
- **For you**
To kick off your relationship and partnership with your child's teacher.
- **For the teacher**
 - To get to know the child.
 - To plan activities catered to your child's needs and strengths.

Who fills it out?

Your child's educator fills it out and gives you **two** copies.

- 1 You keep one copy.
- 2 You return one copy to your child's teacher at the parent-teacher meeting at the end of May/beginning of June.

Please do not hesitate to contact your child's daycare centre should you have any questions or comments.
